

TOWN OF ARLINGTON

2021 Annual Town Meeting - Substitute Motion

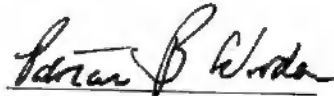

ARTICLE 41

I, Patricia B. Worden, hereby submit the following substitute motion for the No Action recommendation of the Arlington Redevelopment Board:

VOTED to amend the Zoning Bylaw in Section 2 by adding the following new definition:

BUILDING FOUNDATION/FOUNDATION WALL: The entity supporting the building and constructed of masonry or concrete or other material of appropriate industry standards for such purpose, whether insulated or non-insulated. It does not include porches, decks, attached storage facilities which are not part of the original structure, patios, one story attached private garages (except in the case of a single story building), carports, any accessory structure or the like.

Respectfully submitted,

Patricia B. Worden

Town Meeting Member, pct. 8
